DISPOSABLE GLOVES

Our clear and non-sterile disposable gloves are latex and powder-free and are manufactured with polyvinyl chloride (PVC), eliminating the risk of a latex protein reaction. These gloves meet the needs for light-duty hand protection.

ADDITIONAL INFORMATION

- Non-sterile
- Latex and powder free
- Meet the needs for light duty hand protection
- Gloves are manufactured with polyvinyl chloride (PVC) which eliminates exposure to latex and reduces the potential risk of a latex protein reaction
- 100 gloves/box, 10 boxes/case
- Avoid excessive heat (40°C or 104°F)
- Opened box should be shielded from exposure to direct sun or fluorescent lighting
